Introduction

This *Manual of Procedure* has been compiled to clarify the duties assigned to MPLA officers, committees, state representatives and others. This manual is issued to each elected or appointed MPLA officer, committee chair, state representative and conference sub-committee chair. It should be read by those to whom it is issued, to provide an overview of the Association's goals and operations. Each chair should distribute to fellow officers, or committee members, the appropriate parts that concern the section or committee itself.

This manual is not all-inclusive, but it does incorporate all major responsibilities, position descriptions, evaluation forms, award criteria, and some historical information. Anyone becoming aware of needed additions, deletions, clarifications, or resolutions of conflicts is urged to call them to the attention of the Bylaws and Procedures Sub-Committee and/or the President.

It is recommended that the Chair of the Bylaws and Procedures Sub-Committee maintain computer diskettes, or comparable current medium, with the most recent revised edition of the *Manual* thereon, in both the current word processing software files and text-based files for transferability. Approved additions and changes will be forwarded to the Webmaster, as well as the Executive Secretary. The web version of the *Manual* will be kept continuously updated, and will serve as the official version of the *Manual*. The *Manual* in a secure format (presently pdf) will be maintained on the web. Board members may print updates from that format during the year, if they wish.

Duties and Annual Conference

Many of MPLA's efforts during the year are focused on the annual conference. Most duties are described in terms of the three major areas of Post-Conference, Pre-Conference, and Conference. There are no distinct time periods for each of these. Most duties begin with election or appointment at or immediately after the annual conference. Incumbents will insure that conference activities are carried out successfully and are primarily concerned about the following year's conference. This manual is intended to provide direction, beginning with appointment or election.

The prominence of the annual conference in MPLA activities led the Bylaws and Procedures Sub-Committee to incorporate conference planning information into a separate *Conference Planning Manual*, which is held by the Vice-President/President-Elect.

Post-Conference Duties and Activities

These activities are those which must be resolved at, or immediately after, the conference at which the member was elected or appointed. There is no distinct point at which this phase ends and the next one begins, but it would generally approximate a 2-3 month period after the end of the annual conference.

Pre-Conference Duties and Activities

These activities are directly concerned with making the next conference a success. Generally, this period would begin about 2-3 months after the close of the previous conference and end immediately preceding the first event on the conference program. In some cases, however, preparation for next year's conference responsibilities begins almost immediately after the last conference.

Conference Duties and Activities

These activities begin with the first formally organized program listed as part of the annual conference--including pre-conferences, workshops, round-tables, seminars, etc.

Joint Conference Duties and Activities

MPLA Manual of Procedure

When a joint conference is planned, activities of the conference-related sub-committees, the Local Arrangements Chair and the Conference Planning Committee may have to adjust to accommodate their counterparts in the other Association.

MPLA Manual of Procedure
Section 2: General

2.1
Revised 06/2015

2. General

General Information and Responsibilities

Positions in MPLA as an officer, committee chair, and board member all require a commitment of time, effort and some travel. Individuals should be sure their institution is able to provide support in adequate release time for meetings and other work, travel to attend the annual conference which is not covered by MPLA, and possible additional travel expenses. Refer to the MPLA Expense Reimbursement Policies below.

State Representatives to the Executive Board are expected to be supported financially by their state associations in the performance of their responsibilities, including travel to attend board meetings, conferences, etc.

The Executive Secretary is able to provide letterhead stationery and computerized lists of the membership, arranged in various categories, e.g. by section, by state, or of the total membership by surname through MemberClicks.

By Executive Board action (4/22/95). MPLA endorses the Revised ALA "Code of Professional Ethics." - **See Appendix A**

MPLA Expense Reimbursement Policies

The first paragraph above under "General Information and Responsibilities," provides for the reimbursement of the Executive Board members for certain authorized expenses incurred on behalf of the Association for travel, supplies and outside services. The Association is financially unable to do so for other positions.

Expenses should be documented over a period of time with appropriate receipts; however, some judgment should be exercised before submitting requests to the Executive Secretary for reimbursement of small sums which the individual or parent library might well bear.

MPLA will reimburse officers, committee chairs and Board members for the first meeting, but not the second as follows:

1. Board members will be reimbursed to attend one in person meeting held once a year. This reimbursement does not include attendance at the annual conference or Executive Board meeting which occurs at the annual conference, which will be paid for by the member. Reimbursement will cover the least expensive form of transportation (mileage or airfare); airport shuttle if necessary and one night lodging for the first meeting attended.
2. For board positions with a multiple-year term, such as Vice-President to President to Past President, the board member is responsible for travel and lodging expenses for only one meeting.
3. When a board member who has already met the "one meeting" requirement sends a substitute to represent him/her at a board meeting, the substitute is eligible for reimbursement.

4. When a board member resigns, the replacement will be expected to attend the first nonconference board meeting with reimbursement. Attendance at subsequent board meetings will be covered as stipulated in item 1.

5. No reimbursement is given for travel expenses of Executive Board members to attend the annual conferences or Executive Board meetings which occur at the annual conference.

6. State association representatives are expected to receive funding from their state associations to attend board meetings and conferences.

The reimbursement authorized above applies only to the following expenses:

1. Transportation at the lowest possible fare or mileage for the shortest route at the amount per mile allowed for federal income tax deductions.

2. One overnight room charge at the board meeting headquarters hotel, at the reduced rate negotiated with the hotel by MPLA. If the air fare transportation expense and related reimbursement can be significantly reduced by extending the stay an additional night, the second night charge can only also be reimbursed by approval from the MPLA President.

Request for reimbursement should be submitted to the Executive Secretary in writing and with the original copy of a receipt showing payment of the transportation and hotel expense. If mileage reimbursement is requested, a written statement detailing the miles should be supplied in lieu of a receipt. The Executive Secretary is not authorized by the Executive Board to provide reimbursement if the necessary documentation is not provided with the request.

In the event inclement weather prevents the planned attendance of a board member, and travel expenses have been incurred which the board member will unavoidably be responsible for, the board member will be reimbursed for those expenses.

With the exception of the meal provided at the board meeting or meetings, the board member is responsible for meal expenses incurred during travel.

Paid staff, if they are asked to attend a meeting, will have their expenses covered. This applies to the Newsletter Editor, Webmaster, Portal Administrator, Executive Secretary and Leadership Institute Coordinator.

In consideration of the potential expense to the Association which this policy allows, each board member is asked to minimize board-related travel expense in every way possible.

The Administration Committee is directed to evaluate this reimbursement policy and its financial impact on the Association each year. Any necessary recommendation for change in the reimbursement policy should be included with the Committee's annual budget proposal to the Executive Board.

These guidelines are an attempt to indicate the current policy of the Association in the matter of expense reimbursements. Times change and unexpected problems and/or obligations occur. When this happens please ask before, not after, incurring an obligation on behalf of the Association.

Board Reports

Board reports are required of all officers, committee chairs, paid staff and state representatives at every meeting.

Items which should be included in reports include:

1. Procedural changes.
2. Problems arising and their solutions or lack thereof.
3. Financial statements, including expenditures actual and desired.
4. Programs or projects initiated, accomplished, considered or recommended.

Any officer or chair submitting a report should see that his successor receives a copy of that report along with other appropriate papers, when officeholders change each year.

Executive Board Reports

A – Committee Reports

Committee reports shall include recommendations for board action when appropriate rather than merely reports of options. A committee recommendation is a motion that does not require a second. The nature of these reports will hinge upon the stated purpose of these individual committees.

B - State Reports

Shall be in writing and on-line only (due one week before a board meeting) and shall be included in the newsletter in summarized or full format. Should include information on how the state representative has worked on actions requested of them, such as membership calls, letters, etc., as well as newsworthy items from member states such as significant new appointments, controversies, innovative programs, and library-related legislation.

C - Paid Staff Reports

The Executive Secretary, Newsletter Editor, Portal Administrator and Webmaster should prepare reports and an opportunity to ask questions should be provided.

Special Note

Any committee or officer to whom Association funds have been entrusted should provide an accounting of the disposition of those funds to the Executive Board and the Executive Secretary, even if no further report is appropriate.

All reports are distributed electronically ahead of each meeting and must be sent to the Board list and posted on the website one (1) week before every board meeting. Paper copies are not distributed; attendees are responsible for bringing their own copies of all documents.

MPLA Board Choice Awards

The Board Choice Award is a personal initiative by Board members to identify and recruit individuals with demonstrated ability in a library setting to membership in the Mountain Plains Library Association. The person is selected by consideration of their potential to benefit MPLA and the profession in a broader sense. MPLA Board members use this award to identify and recruit future library leaders, those who will serve their own library, their state and regional associations well.

Each member of the MPLA Administration Committee is eligible and encouraged to name one recipient per year. Administration Committee members should communicate who their selected Board Choice winner is and why they were chosen.

Members of the Administration Committee are the President, Vice President/ President Elect, Past President, Recording Secretary, Chair of the Bylaws and Procedures Subcommittee, one Committee Chair, and one State Representative.

Board Choice nominees should be selected no later than September 30th and their membership information sent to the Chair of the Awards Committee for publicity, listing on the web page, and recognition of the award winner. Nominators should make sure that their nominee is profiled in the *MPLA Newsletter* and on the website, including a photo if available. Each Administration Committee member should follow up during regular meetings in person, by phone, or online with their nominees and encourage their involvement in the organization, especially conference attendance.

Recipients receive a complimentary one-year MPLA membership. Registration fees for the annual conference will be waived for Board Choice nominees for the year they are nominated. If they are unable to attend the annual conference that year, the registration fee will be waived for conference the following year if they continue to be members. Nominees will pay half price membership for their first paying year (second membership year). Each nominee receives a letter from the MPLA President, as well as an email communication from the Executive Secretary, including directions for access and use of Memberclicks.

Guideline Statement on Investment of MPLA Funds

The MPLA Executive Board recognizes the importance of maximizing the return on accumulated Association funds which are temporarily not being used for programs and activities. It also recognizes that the tax exempt status of the Association would probably preclude investments which, while financially sound, might hint of a "for profit" gain which could be construed as unaligned with the intent and purpose of the organization. The investment policy of this Association, and to whom it delegates the authority to handle its funds, will be to secure the maximum available profit from commercial sources for all funds temporarily not needed. Currently, money market investments have proven reasonable investments; in the future, there may be other approaches within the parameter of allowable use as determined by the IRS status of the Association.

To assure that sufficient funds are available to meet the ongoing expenses of the Association without maintaining large non-interest bearing balances in the checking account, a money market fund should be established in which a reasonable level of relatively fluid money is available for current expenses obviating the need for the association to borrow money to avoid losing interest or paying penalties for the early withdrawal of funds from longer-term investments.

Loans by the Association to any personal member could create conflicts which might result in embarrassment to the Association and to the individual concerned; therefore all such activity is prohibited.

Loans by personal members to the Association could create conflicts which might also result in embarrassment to the Association and to the individual concerned. All such activity is prohibited.

MPLA Credit Card

The following guidelines were developed by the MPLA Administration Committee with regard to the MPLA credit card:

1. A bank credit card in the name and financial responsibility of MPLA is authorized to be held and used only by the Association's Executive Secretary.
2. The MPLA credit card is to be used only for activities directly related to an association meeting or event for the charge of expenses which cannot be handled conveniently through a reimbursed transaction. The Executive Secretary may use the charge account to assume authorized expenses of Association officers or other members when a reimbursement process is not expedient.
3. Original monthly account statements identifying all charges and related payments are to be kept on file for audit.
4. A current status fiscal note on the charge account should be included in each periodic Association financial statement prepared for the Executive Board.
