MPLA AWARDS COMMITTEE REPORT  
OCTOBER 17, 2006

This will be a brief report as I have been chair for only a few weeks. I was asked to take over as chair of the Awards Committee as the previous chair Rosario Garza has accepted a job outside of MPLA territory and resigned as chair of the committee.

Our first task is to get information on advertising the awards for the MPLA Newsletter to Judy Z. by November 1. We also will be sending information advertising the awards to the member state newsletters and such by mid-December.

I am also awaiting information from Beth Avery that Stephen worked on regarding the Unsung Heroes. We also will be creating an expense reimbursement policy for awards recipients.

The Awards Committee has a lot of upcoming work, and our report will be much more robust the next time around.

Respectfully Submitted,  
Cassandra E. Osterloh, Chair
