Awards Committee  
Report to MPLA Board  
Jon Fackrell  
19 October 2011

## Current Activity

**Online Nomination Form** – Thanks to Dan Chaney for helping us get started with the online nomination form. We have a few small things to change. If anyone would like to see what we have so far, it is located at <http://mpla.us/forms/awardsnom.html>. Deadline for nominations is August 1, 2012.

**Streamlining the Nomination Evaluation Process** – I will be using Basecamp ([www.basecamphq.com](http://www.basecamphq.com)) for the committee to collaborate on the evaluation process (if that is OK). It will allow us to keep organized, updated, and in control. If anyone has questions on the features we will be using feel free to ask.

## Future Plans

**MPLA Newsletter** – We are planning to have an article/ad by the November 1<sup>st</sup> deadline for the December newsletter to introduce the new online nomination form and get members thinking about who they will nominate this year.
