MPLA AWARDS COMMITTEE REPORT
JULY 12, 2004

The MPLA Awards committee is hard at work seeking nominations for the various 2004 MPLA Awards. The awards will be given at the October conference in Denver.

Request for nominations have been posted on all member state websites and printed announcements have been sent to the various state associations. A request has also been posted on the MPLA listserv.

The current MPLA long-range plan asks for the committee to develop a significant revision of the MPLA Literary Contribution Award. We will be working on this in the coming months seeking to meet the December 31, 2004 deadline.

Members of the committee are: Diane Briggs, Erin Kinney, Suzanne Taylor, BJ Vinson, Louis Howley and Leroy Gattin

Respectfully Submitted

Leroy M. Gattin, Chair
