Awards Committee Report  
MPLA  
March 14, 2013

Nominations are being received. We have decided on the deadline date of July 1<sup>st</sup>. We have received two nominations so far.

Requests for nominations are on the website and have traveled through Facebook. I have asked the State Reps to post the info on their various state websites/Facebook/newsletters. I have sent an article for an upcoming MPLA newsletter.

We are now waiting for more nominations to flood in.
