Awards Committee Report

MPLA

Sept. 17, 2013

We have our winners and because the Dakota groups like to keep things a secret, I won't announce them here. We haven't been totally secret, but all of our winners except for one will be at the banquet.

As you probably know, there is a reception following the banquet in honor of all the award winners. They will be wearing flowers, so easily recognized. I hope everyone goes and congratulates them there.

The Dakota folks have been great. Ronelle Thompson is going to MC the event. They ordered flowers for our winners so everyone will match. Thanks to them!

Judy has the plaques and arranged for extra banquet tickets and I thank her as well.
