

MPLA Bylaws Subcommittee
January 2010 Board Report
Wayne Hanway

At the July 25th meeting, the Executive Board approved a proposed revision of the Bylaws which will be submitted to the membership in April.

Attached is a proposal for further revision of the Bylaws that originated with the Membership Committee and has been approved by the Bylaws Subcommittee and the Administration Committee.

Here is an explanation of what you will see.

- the items highlighted in yellow or rose are the new changes proposed
- the items highlighted in yellow are the Membership Committee's recommendations
- the item highlighted in rose is my recommendation
- text to be deleted is highlighted and struck through (has a line through it)
- text to be added is highlighted and underlined
- underlined text not highlighted is a change approved by the Board in July.

These recommended changes will make the Bylaws more consistent and will clarify the rules on the privileges of membership, approval of dues changes, duties of the Vice President, and terms of office.

Respectfully submitted,
Wayne Hanway
