

MPLA Bylaws Subcommittee
July 2010 Board Report
Wayne Hanway

The proposed revision of the Bylaws was overwhelmingly approved by the membership in May through online voting. Thanks to Roy Degler and Dan Chaney for making the voting process go smoothly.

A clean copy of the revised Bylaws was sent to the Webmaster on May 19th for posting on the website.

The next step for the committee and the executive board will be updating the Manual of Procedure (MOP). All executive board members are asked to review those sections of the MOP that are pertinent to their position and send recommendations for updating to Wayne Hanway so that the work can begin.

Respectfully submitted,
Wayne Hanway
