Communications Committee Report  
January 17, 2007  
MPLA Board Meeting  
Francine Canfield, Interim Chair

In November 2006, Sharon Osenga asked Francine Canfield to serve as Interim Chair.

Committee members have corresponded by posting to MemberClicks and by email.

Conference programming ideas were posted and Judy Druse sent them to Wayne Hanway.

A member inquired about an RSS feed on the bulletin board; the response that it currently could not be done was posted to the bulletin board.

In accord with the strategic plan, the committee discussed restricting access to selected services to members only such as Jobline. The consensus indicated the MPLA website is as much a marketing tool for prospective members as it is a service for members.
