Communications Committee Report  
MPLA  
August 2015

Co-Chair – Nicole Sump-Crethar  
Co-Chair – Tina Walker

Members:

Lori Clark-Erickson  
Misty Smith  
Pamela Henley  
Mickey Coalwell

We had a meeting August 8<sup>th</sup>, 2015. We discussed the Zoom meeting software and social media links.

We completed the process for setting up ZOOM meetings in the new software as the Communications Committee has been identified as the individuals that are responsible for scheduling the meetings at the last board meeting. Dan Cheney will add the meetings to the calendar and notify the communication chair to schedule the meeting in the ZOOM software. This so far has been working well. Tina sent an email out to review for sending to all committee chairs, so they may better understand the process and get the login credentials for ZOOM meetings.

For social media, Roy and Dan post pretty regularly on the Facebook page, so we will leave that up to them. Tina is going to resume Twitter coverage and Tina will contact Dan for login info to LinkedIn for Mickey, if Mickey doesn't become the next president of MPLA.

Four individuals' terms are expiring this year: Nicole Sump-Crethar, Lori Clark-Erickson, Misty Smith, and Pamela Henley.
