

Report to the Board

21 July 2010

The Wikipedia entry is now live at

[http://en.wikipedia.org/wiki/Mountain_Plains_Library_Association_\(MPLA\)](http://en.wikipedia.org/wiki/Mountain_Plains_Library_Association_(MPLA)) ; we welcome a formal review and certainly editing (or suggestions for changes/edits).

The summer board meeting will be conducted using the standard conference call meeting software, rather than making an investment in software with additional functionality. Bells and whistles were deemed not necessary.

Respectfully submitted,

Annie Epperson
