

MPLA LEADERSHIP INSTITUTE COMMITTEE REPORT JAN. 2018

The committee has adjusted the date of the auction to March 18-24. We have over 20 items that have been donated and a nice variety at that. We will be tracking all expenses and income so that the Board can decide if we want to continue to host future auctions and if MPLA can absorb the PayPal fees associated with the auction. For this year, MPLA will absorb the fees per conversation with Annie and Mickey.

The committee is struggling with donations; committee members are not getting responses to our requests. We will continue to “pound the pavement” but feel that we need to look at alternative revenue sources to fund the institute.

I have requested which committee members would like to stay on the committee and if anyone would consider being chair. So far, I have not receive any commitments. My term concludes in May after the institute is completed as do most of the committee members. Annie and Leslie are aware of this.

Respectfully submitted,

Mary J. Soucie

Mary Soucie
Leadership Institute Committee Chair
