

MPLA Leadership Institute Committee Report
May 2017

The full committee met via Zoom on May 10. We assigned vendors to different committee members to contact.

We are going to work on rewriting the email script that we send to potential vendors. Two committee members will bring proposed language to the next committee meeting.

Leadership Institute Coordinator Aubrey Madler and Leadership Committee Chair Soucie are going to work on updating and streamlining the list of previous sponsors as well cleaning up and organizing the Google site better.

Two other committee members are going to work on revising the sponsorship opportunities and will present those to the committee at our next meeting.

Our goal is to raise \$12,500.

We have set a standing committee meeting for the 2nd Wednesday of each month.

Respectfully submitted,

Mary J. Soucie
LI Committee Chair
