

MPLA Leadership Institute Committee CO-5

October 2018 Report

Tom Taylor (KS) Chair
Aubrey Madler (ND) Coordinator
Matthew Harp (AZ)
Michael McDonald (KS)

The full committee met via Zoom on Oct 5th. The committee will meet on the first Friday of the month at 2:00 CST.

The committee discussed fundraising for future Leadership Institutes.

1. Corporate sponsorships
2. Facebook auction
3. Identifying foundations that might support the Institute
4. Asking alumni and MPLA membership for donations
5. Forming an endowment

The committee requests that the Executive Board approve having a Leadership Institute in 2020.

The Institute is an investment in future leaders for both MPLA and the state associations. Alumni from previous institutes have gone on to fill leadership roles in MPLA and member state associations. The Leadership Institute especially fills a need for state associations that do not have their own institutes. The Institute is recognized beyond our region for its quality. It has become a signature service of MPLA. It also serves as a membership recruitment tool for MPLA .

Respectfully submitted
