

Leadership Institute Committee Report
MPLA Board Meeting
March 2, 2015

We have finalized Aubrey's contract, which is in the process of being executed.

We have our first sponsor! Biblioboard would like to support the Leadership Institute at \$300, but will pay in 2016.

The Leadership Institute Committee met on February 18, 2015 via Zoom. After introducing new committee members, we discussed the following:

- keep YMCA of the Rockies for the 2016 Leadership Institute
- strategies for contacting sponsors and the committee's tracking of who we've contacted and how much has been donated. We will keep a goal of \$18,000 again for 2016.
- need to revise the sponsorship opportunities document, based on feedback from sponsors
 - Question for board - would webinars be an acceptable benefit for sponsors?
- length of the leadership institute; determined we wanted to keep the length, but we would like to clarify expectations for both mentors and Leadership Institute fellows

Our next actions are to update the sponsorship opportunities document and script, start contacting sponsors, and work with Aubrey to flesh out information about the Leadership Institute.

We will meet monthly via Zoom starting in March.

Respectfully submitted,

Anali Perry
Co-chair
