

Leadership Institute Committee Report
MPLA Board Meeting
December 5, 2013

Committee last met in October to discuss sponsorship contacts and updates. Many vendors are on a calendar year fiscal year, so November and December are good times to contact potential sponsors for 2014. The committee is working on following up on contacts. At the Tri-Conference, JaNae Kinikin suggested contacting institutions and library districts for contributions - thanks to her efforts, 3 Utah universities have contributed. A donation form has also been added to the MPLA web site to facilitate individual giving.

Confirmed sponsors so far:

- Roswell Binding: \$500
- W.T. Cox: \$750
- Brigham Young University: \$500
- Weber State University: \$200
- Southern Utah University: \$300

Anali has a call scheduled with Innovative Interfaces Inc. on Dec. 5 (just prior to the board meeting) to discuss their involvement - will provide an update at the meeting. Keep your fingers crossed!

Anali, Adriane, and Aubrey will meet Dec. 11 to finalize the leadership institute attendee selection, based on state representative recommendations.

Respectfully submitted,

Anali Perry
Leadership Institute Co-Chair
