

Leadership Institute Committee Report
MPLA Board Meeting
January 5, 2015

There is not much to report from the Leadership Institute Committee. I have contacted several potential sponsors that I talked with at the AzLA/MPLA Annual Conference, but have not heard a response.

The committee plans to meet later in January to outline next steps and start planning in earnest for the 2016 Leadership Institute.

Respectfully submitted,

Anali Perry
Leadership Institute Committee Co-Chair
