Leadership Institute Committee

Members of the LI Committee received communication from Adriane Herrick Juarez and Anali Perri regarding their role in serving to procure financial support for the 2014 LI Institute. Committee members will receive information regarding sponsorship opportunities and levels, and will be asked to contact prospective funders for support. Each was asked to confirm that he/she is willing to take on this responsibility.

Contract with YMCA of the Rockies

The 2014 Leadership Institute will take place at the YMCA of the Rockies in Estes Park, Colorado, May 4 – May 9, 2014. A group contract with the YWCA was approved by the MPLA Board during meetings in Omaha in October. JaNae Kinnikin, current MPLA President, signed the YMCA contract and funds were released to retain MPLA's reservation for the event, with Adriane Herrick Juarez serving as contact person.

Leadership Institute Coordinator Position

In spring 2013, the MPLA Leadership Institute Committee will be posting the position of Leadership Institute Coordinator, as recently approved by the MPLA Board. Information will be forthcoming on the MPLA Website. The successful applicant will serve during the projected contract period of June 2013 – May 2014... and will have very big shoes to fill. Judy Zelenski served in that position for many years, and is willing to act as a resource-person as the new LI Coordinator begins work. Many thanks to Judy for her dedication!
