RE: Applications and Invitees for 2006

Table 1 below gives a summary of the fifty-nine final applications (four withdrew before the deadline) for the 2006 institute and Table 2 provides a list of those invited to attend. In addition to those invited to attend, two alternates have been identified to be invited should they be needed due to cancellations. The invitees are almost evenly divided between MPLA members of two years or more and non-MPLA members. This means that approximately half of those attending will be paying a registration fee of \$450 and the other half will be paying \$550. The list of those invited will be put out on the general MPLA list once all of those initially invited respond with their intention to attend.
