

Leadership Institute Committee Report
MPLA Board Meeting
June 16, 2015

The Leadership Institute website is now open for applications: <http://www.mpla.us/quick-links/leadership-institute.html> -thanks to Aubrey and Dan Chaney for getting up and running so quickly.

The committee has finished updating the sponsorship levels document and has created a list of potential sponsors. We will begin soliciting support shortly.

After much discussion, the Committee has decided to solicit applications for mentors for this year's Leadership Institute. We believe this will help diversify the pool of mentors. We will be establishing some basic criteria, guidelines for what is expected, and an application process at our next meeting on June 17. We intend to select 5 mentors, and hope to have them identified by September 1.

Respectfully submitted,

Anali Perry
Co-chair
