Leadership Institute Committee
Report to the MPLA Board
Dan Stanton and Adriane Juarez, Co-Chairs
10/13/11

We have selected our Mentors for 2012 and I am pleased to announce that it is an All-LI-Alum group! Adriane Juarez/2007, Mickey Coalwell/2006, Robert Shupe/2005, and Valerie Nye/2003. They represent a wide variety of experience in the MPLA Region – Public/System/Academic/Special and Utah/Kansas/Arizona/New Mexico. All have been involved in MPLA and their State associations, including past and future association presidents!

Not too much to add to Judy's current LI Coordinator report. We continue:

- Promoting the Leadership Institute and clarifying issues for potential applicants
- Working with current and future sponsors – what can we offer them to acknowledge their support of MPLA. How should funding be used?
- Formalizing the Friends Group and reaching out to past participants and mentors.

Special thanks to Web Master, Dan Chaney, for developing an easy-to-use online form for donations to the Leadership Institute and MPLA!
