

MPLA Leadership Institute (CO-5) Report  
Adriane Juarez  
July 2012

#### 2012 Leadership Institute

The 2012 MPLA Leadership Institute was a success. Maureen Sullivan, our esteemed facilitator, provided excellent development experiences for everyone involved, just prior to taking the reins as President of the American Library Association.

#### Assessment and Follow-Up

After the Leadership Institute, participants and mentors were asked to complete an online evaluation, which had a 100% response rate. The feedback was positive. The LI Committee is reviewing the responses to strive for continually great results.

#### Upcoming Institute

Talks are underway with the YMCA of the Rockies in Estes Park to negotiate a contract for the next MPLA Leadership Institute, tentatively to be held May 4-9, 2014.

#### New Committee Co-Chair

Anali Perry, from Arizona State University, has stepped into the position of Leadership Institute Co-Chair. She will work with Adriane Juarez to develop the 2014 Leadership Institute. Welcome, Anali!
