

Leadership Institute Committee Report
July 19, 2013

Applications are now open for the 2014 Leadership Institute. Aubrey Madler (Leadership Institute Coordinator) and Anali Perry met with several state representatives to discuss the application form and evaluation criteria. As a result of that discussion, the application form was edited. The updated form is posted on the Leadership Institute webpage:
<http://www.mpla.us/leadership/index.html>.

Closer to the application deadline, we will distribute evaluation criteria and suggested procedures to all of the State Representatives. Aubrey will keep State Reps and the Leadership Institute Committee updated on the numbers of applications received on a monthly basis. Aubrey is also creating promotional material to distribute to help market the Leadership Institute.

The Leadership Institute Committee is contacting potential sponsors for the Leadership Institute. We have already received one \$500 commitment from Roswell Bookbinding!

We are brainstorming potential mentors for the institute and intend to have mentors selected by the Tri-Conference in September.

Respectfully submitted,

Anali Perry
2014 MPLA Leadership Institute Co-Chair
