

CO-6

Mountain Plains Library Association
Public Relations/Membership Committee
March 5, 2005

Theresa Dickson (Pioneer Library System, Norman, Oklahoma) and JaNae Kinikin (Weber State University, Ogden, Utah) are now in place on this Committee, after Al Peterson requested membership on the committee instead of Co-Chair.

They have talked by phone, JaNae is now reviewing the LRP, and they will begin asking questions and seeking guidance soon. In keeping with the LRP, the Co-Chairs will:

Review the current processes for membership/pr activities: articles, new member events at conference, retention activities, etc.

Review the current membership numbers, including state distribution

Designate a target number of new members in designated states (starting conservatively, working with the MPLA State Reps)

We will meet by phone and in the next week, that's all we have for now.
