Membership Committee Report
May 7, 2007

The Membership Committee seems to be more or less formed with help from Wayne, and we are planning a telephone conference for our first meeting. May 25th at 2:00 CST is the likeliest date at the moment, but we are still voting on it.

Some of the issues on the agenda for our first meeting will be :

Choosing ad photos from the three forwarded to us by Judy Zelenski on March 6th.

Should we contact the 108 past Leadership Institute participants & invite them to rejoin us?

Discussion of free MPLA memberships awarded by each state. How many, and why? Also, are these effective?

Contacting new members who have joined each month with a welcome letter.

Contacting other organizations to ask about their membership recruiting practices.

Beginning planning of 2008 conference events. Topics? Events?

Respectfully submitted,
