MPLA Membership Committee
Board Report
January 13, 2009
Basha Hartley
MPLA Membership Chair

The Membership Committee has been working on providing some MPLA logo items for the KLA/MPLA Conference and perhaps future conferences. There is much concern about the economy.

The Board would like to order polo shirts with the MPLA Logo. These orders would be placed by individual Board Members with the possibility of a few extra to sell at the conference.

The MPLA Logo could also be put inexpensively on a hatband for further visibility.

At the moment because of budgetary concerns, this is the limit of MPLA logo items to be ordered.
