MPLA Membership Committee Report

October (it's almost Christmas) 20, 2009

Due to inattentiveness on my part, I just contacted the membership committee today to see if anyone had any changes for the bylaws.

I also asked for any assistance in putting together the MPLA conference party for new members.

In the past few months, I've been excited to welcome all new members. I think the reinstatement of the Leadership Institute will go a long way to adding new members to the roles.

Respectfully,

Rita Severt
