MPLA Membership Committee Report

July 18, 2012

- Brenda sent out welcome messages to new members for May.
- Brenda forwarded the SD State Library newsletter *Cornerstone* to Judy for any information she could use for the MPLA newsletter.
- Noted from Judy's membership report: personal memberships are up this year over last year 521 to 455, and institutional memberships are down a bit 34 to 37.
- I appreciated reading the discussion and recommendations on the MPLA flyer that were held at the May meeting. Good suggestions.

Respectfully submitted,
Brenda Hemmelman, chair
