

MPLA Membership Committee Report, CO-6
March 15, 2013

Sharon Ailsieger resigned from the committee due to work commitments. Danielle De Jager-Loftus agreed to take on chair duties for the rest of the term.

1. I sent out welcome messages to all new members for January and February. This list is supplied monthly by Judy. In the past this committee has broken out this duty by "group" and I would like to resume this practice. Each person on the committee is assigned a group to contact the new member using an agreed upon welcome message.
2. The committee will be meeting soon via a conference call. Judy and JaNae have given me incentive ideas for renewals and recruiting new members. I have lots of marketing thoughts as well!

Respectfully submitted,
Danielle De Jager-Loftus, chair
