MPLA Membership Committee  
Board Report  
March 27, 2009  
Basha Hartley  
MPLA Membership Chair

The Membership Committee has been working on providing some MPLA logo shirts for the KLA/MPLA Conference. Two types of shirts were selected: a long-sleeved button down broadcloth in Mediterranean Blue and a short sleeved polo in a similar color. The embroidery color selected was gold.

With the current economy, it was decided to be very conservative about ordering merchandise. Therefore, orders were taken in advance for shirts to be picked up at the conference, and no shirts will be on sale at the conference.

30 shirts were ordered by MPLA members for pick up at the conference.

The Membership Committee will be hosting the New Members Breakfast on Thursday, April 2 at the MPLA/KLA Conference.

The Membership Committee is concerned about declining membership in MPLA and hopes that next year's committee can come up with creative solutions.
