MPLA Nominating Committee Report  
March 5, 2005

The MPLA Nominating Committee is currently working to compile a list of potential candidates for the offices of President Elect and Recording Secretary. We have established a timeline for our deliberations process and for contacting potential candidates. By early June we should have a slate and ballots compiled for the Executive Secretary to mail to the membership during the summer.

The committee is also working with the chairs and vice chairs of the sections to ensure that their nominations process is progressing. June 1 is the deadline for the sections to have their candidates selected and biographies sent to the MPLA Nominating Committee to compose the ballots.

The report for the next board meeting this summer will include candidates for office and for the sections.

Respectfully submitted,  
David Oberhelman, Chair
