

CO-7  
Nominating Committee  
20 October 2009

Our conference is a half a year from today, and the Nominating Committee is getting geared up!

A tentative calendar for nominating President-Elect and Recording Secretary has been sent to the Webmaster and the Executive Secretary.

State representatives have had an email reminding them of the upcoming elections, and a request for the list of past potential candidates has been submitted to the Chair of last year's Nominating Committee.
