

O-3 Past President's Report
Mickey Coalwell
April 18, 2019

I am unable to attend this meeting due to a conflict with my own board and council meetings on the same day. My apologies. I notified Leslie in advance.

I have no news to report. Several projects have been put off due to my job change. I am committed well in advance to the conference in New Mexico, so I look forward to seeing many of you this Fall in person.

I have withdrawn from the task force on the preservation and archiving of MPLA materials, but remain confident the project remains in capable hands.

Respectfully submitted,

Mickey
