#### *Conference Request*

Ruby Cheesman, Utah representative, will discuss a date for an upcoming ULA/MPLA joint conference with the Utah Library Association.

### Interest Group Task Force

Nicole Sump-Crethar is planning on having focus groups at the conference to discuss the possibility of the return of interest groups to MPLA. I hope many of you will participate.

### Executive Board Meeting

Dan Chaney will present his "I Know You Are, But What Am I? Personality Types for Librarians" program for the Board at 1 pm on Wednesday, September 25<sup>th</sup>. I missed it at last year's conference and am looking forward to attending. Attendance is optional, but I think you will find it interesting.

I look forward to seeing and talking to everyone IN PERSON at the conference!
