2012 Conference Planning

Some progress is being made in the way of conference planning for the 2012 joint conference with NLA and NEMA. Registration fees have been set and a logo has been selected. The web site for the conference will be up soon.

Theresa Jehlik, MPLA's Nebraska representative, will be attending the planning meetings in Nebraska.

2013 Conference Planning

I met via conference call with Jan Enright, Aubrey Madler, Judy Zelenski, and Dana Braccia to discuss the 2013 joint conference to be held with North Dakota and South Dakota.
