### Conference Planning

Little progress has been made in the way of conference planning for the 2012 joint conference with NLA and NEMA, although several ideas for speakers have been presented including:

- Eli Neiburger,
- Keith Curry Lance
- Thomas Frey
- Jeff Jarvis
- Ian Jukes
- Tim Spaulding
- Roy Tennant
- Amy Bruckman
- Ross Singer
- Michael Gorman
- Rick Anderson
- John Mark Ockerbloom
- Jeff Scherer
- Sue Polanka

It was discovered that the original contract for 2012 joint conference needs to be revised to include 3 organizations (Nebraska Library Association, Nebraska Educational Media Association, and MPLA). Judy has revised the contract.

The theme for the conference was decided without consultation with MPLA, but will be *Back to the Basics: Building the Future*.
