Vice President's Report

October 2004

Conference

Because of the large number of meetings and the limited number of rooms available, many meetings had to be scheduled at 7:00 a.m. and 9:00 p.m. on Friday in addition to the Saturday afternoon meeting times. Many thanks to Carol Hammond for making the MPLA suite available for meetings at other times.

I have started a manual for the Vice Presidents of important things to know about when working with the conference committee.

Future Board Meetings

Joe is finalizing the arrangements for the March and July board meetings which will be held at the Marriott Courtyard on the 16th Street Mall in Denver.

Committees

Committee appointments are being finalized. Several people have had to resign from committees due to conflicts. Continuing chairs are Betty Dance on Bylaws and Procedures, Patti Butcher on the Leadership Institute, and David Oberhelman on Nominating. Committee lists will be distributed at the Board meeting
