

MPLA Continuing Education Committee Report
11/2003

Pre-Conference Grants: During the year, the Committee approved the following pre-conference grant applications:

- Show & Sell: Using Retail Techniques in Libraries, a full-day pre-conference held Thursday, 16 October 2003, prior to the Colorado Association of Libraries Conference in Keystone, Colorado.
- Creating Passion and Soul in the Library Workplace, a half-day pre-conference to be held Tuesday, 9 December 2003 prior to the Arizona Library Association Conference in Phoenix.

The Committee approved both grants at \$500. Checks will be cut when the evaluative report is received.

Clearinghouse: The clearinghouse mentioned in the Committee 7/2003 report has not yet gotten off the ground. The Chair will be convening a meeting with as many committee members as possible at the upcoming NLA/MPLA conference to lay out a plan of action to get this idea off the ground and into production during 2004.

Respectfully submitted,
C. Jeffrey Belliston
Chair
