

SE-3

MPLA Government Documents Section
March 2005

The section submitted a number of program proposals for the WLA/MPLA Joint Conference. We are reasonably sure they will be accepted. Peter Kraus has agreed to present documents for young users. We are in the process of planning an overnight pre-conference to Yellowstone National Park, with a visit to the archives in Mammoth Hot Springs. Our section is working with the Preservation, Archives and Special Collections Section to bring you a variety of programs in Jackson. We are looking forward to seeing you there.

Respectfully submitted,
Ara Anderson
Campbell County Public Library System
