The Government Document Section of MPLA will be cosponsoring a program with the MLA Government Documents Section. We had the good fortune to get Fran Buckley, the Superintendent of Documents, and Julia Wallace from the University of Minnesota to agree to give a program on the latest from Washington and what it means for libraries in the beltway.

New officers for the Section as of the final Board Meeting of the Big Sky Conference include:

Incoming chair - Vicki Nozero, Univerisity of Nevada, Las Vegas  
Chair-Elect - Susan Dingle, North Dakota State Historical Society Library,  
Bismarck  
Secretary - Kathy Thomas, North Dakota State University, Fargo
