GOVERNMENT DOCUMENTS SECTION REPORT

January 15, 2004

The programs sponsored by the section at the MPLA/Nevada Joint Conference were excellent and well-attended. They included a preconference on the GPO Access database and a program on "The Future of Government Information" by Judy Russell, Superintendent of Documents.

The business meeting was also well-attended. The attendees approved the revised by-laws for the section. They also discussed a number of possible programs for the 2004 meeting in Denver including presentations on the National Archives, local government publications and GPO Federal Depository Library Program status.

Ara Anderson, of the Campbell County Public Library in Gillette Wyoming is the chair-elect of the section.
