#### New Members Round Table

The NMRT Chair and Chair-Elect are preparing to send out the first wave of welcome letters to new members via e-mail shortly after the end of the holiday vacation. We are making our lists from the past issues of the MPLA newsletter and from lists supplied by the Executive Secretary.

The NMRT chair has entered into tentative negotiations with a prominent speaker for the Lake Tahoe conference. We are also seeking out NMRT members who would like to present on the NMRT bill as well.

Thanks to those who have forwarded prospective names for leadership roles in NMRT. Poor attendance at membership meetings is making it very difficult to identify new candidates who are interested in serving on the nominating committee and in the chair-elect position. We will probably end up doing a good bit of cold calling in order to get our positions filled.

Respectfully Submitted,  
Scott Goldy, Chair, MPLA NMRT
