Mountain Plains Library Association  
Preservation, Archives and Special Collections Section  
July 21, 2004 Report

A number of program proposals were submitted for the Joint CAL/MPLA Conference. Word was received today that the program "Care and Handling of Your Collection" was not accepted. The program will be submitted for a poster session. Hopefully the program proposal on the use of Federal Documents, co-sponsored with the Government Documents Section, is accepted. Discussions were also held with the corresponding CAL group on co-sponsoring programs.

Stephen Van Buren, the University Archivist/Head of Special Collections, is the nominee for section chair-elect.
