MPLA Board Report

March 5, 2005

Pam Henley, Public Library/Trustees Section Chair

At the section meeting during the CAL/MPLA joint conference in Denver, October 2004, Pam Henley took over as section chair with Anna Moore as chair-elect.

Proposed changes to the section bylaws were approved. Goals for the section were discussed.

I sent a message out through MemberClicks asking for program proposals for the WLA/MPLA conference in Jackson Hole, WY. At this point I don't know how many were submitted, although Cheryl Wright, the WLA chair-elect of the public section and I have corresponded about sponsoring a few programs. Details will be worked out later.

I plan to attend the July board meeting and hope to have more information at that time.

Respectfully submitted,

Pam Henley

Public Library/Trustees Section Chair
