

SE-6

Public Library & Trustees Section Report
July 2004

Ballot

Pam Henley, Chair-Elect, is to be commended for securing 2 nominees for Chair-Elect: Joseph Ermer, Branch Manager, Park County Library System, Cody, Wyoming and Anna Moore, Technology Services Coordinator, Pioneer Library System, Norman, Oklahoma. If you know either of these individuals, please thank them for their willingness to run for office.

Programs

I solicited ideas and presenters for CAL/MPLA via Memberclicks and received many responses. I encouraged individuals to submit programs and do not know if any were accepted. I had wanted to set up a panel discussion on Library Foundations, but only one of the Foundation members that had been recommended to me was available for the dates of convention, so I will try again another year on that idea.

By-Laws

I hope to have a by-laws revision ready to present to membership at CAL/MPLA. I will be talking to other Board members about the logistics of this process at the July Board meeting.

Respectfully submitted,

Pam Bohmfalk
Public Library & Trustees Section Chair
