

Member Information

As Chair, I created a “list” of the members of the State Agencies, Cooperatives & Systems section.

I, however, have not inspired lively discussion or debate.

The Section did nominate a Chair candidate for next year, Jim Minges from the Northeast Kansas Library System.

Western Council Library Education Proposal

The report of the Western Council Task Force on Library Education has been sent to the members of the Section for their information, comment and hopefully, support!
