State Agency, Cooperatives, and Systems Section Board Report

A program proposal was submitted to the MPLA/CAL program committee for a section program and meeting at the 2004 Conference. The program will be a "state of the states" forum of all MPLA states discussing both recent financial challenges and accomplishments in library service in each state.

A letter was mailed to State Librarians in the MPLA region in March 2004 urging them to encourage membership in MPLA by state library agency and regional library system personnel.

Two candidates have been nominated for the position of Section Chair-Elect: Brian Greene from the Wyoming State Library and Toni Harrell from the Kansas State Library.

Respectfully Submitted,  
Jim Minges, Chair, MPLA State Agency, Cooperatives, and Systems Section
