

Portal Administrator Report  
Roy Degler  
October 27, 2010

### Portal Applications and Support Sites

- Current applications include (new in bold):
  - Please All board members get on and post content on the blog and have discussions on the forums.
  - Just renewed hosting account through HostGator, I will get the invoice to Judy.
  
- Site Maintenance
  - Continuing back routines. Site is getting close to the size of the backup limit. Will need to explore alternate backup technique for future backups.
  - Addition of CAPTCHA to various apps has almost put spamming to a complete stop. Only one or two spams get into apps in a month and are easily deleted based on email notification.
  
- Site Usage
  - Please see attached PDF with complete site stats.
