## BOARD CHOICE AWARDS

2000-2003

Since 2000 when the Board Choice Award was instituted, there have been 41 people nominated for this award. Of that number, the following statistics are provided:

6 were from 2003 so there is no additional data available yet

15 were never entered into the database. Most of these were because the person being nominated never responded to my email asking for data (address, etc.) to be used to enter them into MPLA's database

12 of the remaining 20 did not keep up their membership active during the year(s) after being nominated for the award

8 of the remaining 20 retained membership in MPLA after receiving their award

Joe Edelen

Executive Secretary

(November 3, 2003)
