

## **Leadership Institute Coordinator Report**

Judy Zelenski

April 14, 2010

The MPLA 2010 Leadership Institute is almost here! Materials are being copied (7,000 plus pages) notebooks have arrived for assembling, rooms have been assigned, mentors are ready, photos of the participants are on the website, my truck has new tires and is ready to be loaded up as soon as I return from the conference. Everyone is really excited!
